

Congratulations to Adam C. Weiss on His Promotion to Partner at Lever & Ecker, PLLC

We are thrilled to announce the elevation of Adam C. Weiss to partner at L&E!

“This well-deserved promotion is not only a reflection of Adam’s dedication to our firm and clients but also to Adam’s talents as an attorney,” said L&E Founding Partner David B. Lever. “Adam is an invaluable member of our team, and we are very proud to call him our partner,” said L&E Founding Partner Daniel G. Ecker.

Adam joined the firm in 2018 as an associate attorney specializing in litigating personal injury cases. He has dedicated his career to representing injured plaintiffs and works tirelessly to bring his clients the justice they deserve. Adam strives to uncover the answers to what really happened and recover maximum monetary compensation for his clients. Adam takes great pride in keeping his clients informed and educated throughout the litigation process.

Adam litigates all types of personal injury cases, including motor vehicle accidents, construction accidents, slip/trip and falls, and medical malpractice. He draws on a unique background of experience, including litigating birth trauma injury cases and pharmaceutical and medical device product liability claims.

In 2020, 2021, 2022, and 2023, Adam was selected to the New York Metro Super Lawyers Rising Stars List, which recognizes no more than 2.5 percent of attorneys in each state. Adam has also been recognized “as a top lawyer” by Hudson Valley Magazine.

In 2019, Adam was recognized at the Westfair Communications Millennial Awards

for his passion, entrepreneurial spirit, and impact on Westchester and Fairfield counties.

Adam is also committed to working outside the courtroom to improve the lives of those in his community. In the fall of 2023, Adam was appointed as the President of the Board of Directors for the non-profit organization CLUSTER Community Services. CLUSTER provides services and programs that assist residents in Yonkers and throughout the counties of Westchester and Rockland to build a better future for themselves and their communities. All CLUSTER programs focus on empowering individuals, families, and communities to fulfill their dreams and potential, and Adam is thrilled to be a part of their important mission. Adam has served on the CLUSTER Board of Directors since 2021.

Adam earned his Juris Doctor from Pace University School of Law, graduating Magna Cum Laude, and received his undergraduate degree from Skidmore College.
