## Lever & Ecker Donates 100 Turkeys to the Temple Shaaray Tefila Community Thanksgiving Program

This Thanksgiving season, our firm was proud to contribute to Temple Shaaray Tefila of Bedford, New York's annual Community Thanksgiving Dinner Program. This inspiring non-denominational effort brought together over 700 volunteers—150 of whom joined for the first time—to prepare more than 4,300 meals for families and individuals throughout Westchester, the Bronx, and Queens.

This year, our team had the pleasure of donating 100 turkeys. In total, volunteers collectively participated in cooking over one ton of turkey for this incredible program. Representing our firm were David Lever, Dan Ecker, Adam Weiss, and David's brother, Jeffrey. It was also an honor to join NYS Assemblyman Chris Burdick at the event, where we worked alongside so many dedicated community members.

Gary, Gayle and Rich of Temple Shaaray Tefila made up the volunteer leadership team of this initiative. We are especially thankful for their guidance and are grateful and proud to have supported this project alongside donors, cooks, drivers, and countless other volunteers who made the event possible. We're so grateful to be part of this incredible initiative and to give back to our community during this season of gratitude. ☐☐

## Navigating the Legal Maze of Social Media Addiction

As social media addiction cases rise, courts are grappling with whether to hold platforms accountable for their addictive designs or to emphasize personal responsibility. This legal debate could reshape how social media companies operate and are regulated in the future. □♾

If you or your child have suffered harm because of social media addiction, now is the time to stand up and take action. You may have the right to file a social media addiction lawsuit, and Lever & Ecker can help you navigate the process. In the meantime, we also recommend integrating some alternatives for non-screen time with family, such as game night, family book club, hiking, and cooking together.

## This is Why We Do What We Do

**“The team at L&E is thorough, very knowledgeable, and always make time for you when dealing with such a stressful situation. I strongly recommend them to everyone dealing with personal injury cases as going through it without the proper advise and representation is burdensome, confusing, and can leave you without the proper tools necessary to get the financial compensation and medical assistance you deserve.”**
